Lounge

The Sortino II collection is both inviting and dramatic. The contemporary design features a solid single non-removable seat cushion, an angled inner back cushion and seat rails that angle to form an arch on the sides. The tall back with curved wings offers a private seating option and adds grand style to any room. This collection includes a lounge and a love seat.

Features

Durable Finish
Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced
Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Concealed Cleanout
Concealed cleanout eliminates a debris build-up behind the seat cushion.

Number of Seats
Choose from 2 seat styles – lounge chair and love seat.

10 Year Warranty
We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
