Features

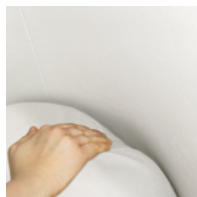

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Concealed Cleanout

Concealed cleanout eliminates a debris build-up behind the seat cushion.

Optional Fabric Pleating Detail

Choose optional pleating on the fabric for the outside back of the chair. Contact our sales team to make sure the fabric selected will be suitable for pleating.
