### Features

#### Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

#### Concealed Cleanout

Concealed cleanout eliminates a debris build-up behind the seat cushion.

#### Optional Seat Construction

Choose the best seat cushion for your application, a non-removable seat cushion for healthcare, or a loose seat cushion for senior living.

#### 10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
