## Lounge

Kwalu's Nardo Lounge is a modified club chair with a rounded back which smoothly transitions into squared off arms. This is a welcoming lounge chair for all medical wait spaces. In addition to a fixed seat and concealed cleanout, one of the best features of the Nardo is the award-winning Kwalu Classic easily cleanable material at all touch points.

### Features

**Durable Finish**  
Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

**Steel Reinforced**  
Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

**Concealed Cleanout**  
Concealed cleanout eliminates a debris build-up behind the seat cushion
