Corner Linking Tables

modena

Corner Linking Tables

The Modena Corner Linking Table adds a level of functionality placed in corners between guest and bariatric seating models in lobbies and other medical wait spaces. The Corner Linking Table is available in a straight or curved style and is equipped with a center leg support. It features an under mount with brackets to support a solid surface or Kwalu Fusion top. The collection includes Center and Wedge models.

Model: MDALKTLBLC
(Also displayed with two MDAG11. Not included.)
29W 29D 15H

Features

Optional Kwalu Top
Available with a 1.5" Top made of Kwalu's proprietary material.

Optional Curved Shape
The linking table is available in a curved shape to better fit a curved space and is optional.

Other Table Styles
Choose from 3 table styles – Center Linking, Corner Linking and Wedge Linking.

10 Year Warranty
We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
