Caterina

Corner Linking Tables

Kwalu Linking Tables add a level of functionality placed inline and in corners between guest and bariatric seating models. Choose square, rectangle and wedge-shaped tables for visitors to place devices and other items in healthcare wait spaces. The Caterina Corner Linking Table is available in a straight or curved style and is equipped with a center leg support. Caterina Linking Tables also include Center and Wedge models.

Model: CTELKTLBLC
(Also displayed with chairs CTE11 and CTE21. Not included.)
29W 29D 15H

Features

Optional Kwalu Top
Available as a 1.5" Top made of Kwalu's proprietary material.

Optional Curved Shape
The linking table is available in a curved shape to better fit a curved space and is optional.

Other Table Styles
Choose from 3 table styles – Center Linking, Corner Linking and Wedge Linking.

10 Year Warranty
We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
