## Multiple

Kwalu's tandem seating options make it possible for groups to sit together comfortably in lobbies, lounges, reception areas or emergency waiting rooms. These multi-seat options come built with a steel-reinforced frame, spanned for easy cleaning. The pickproof arms also make these versatile seats perfect for memory care residents.

Model: VLGE  
67.5W 29.5D 37H 20SW 18.5SD 18.5SH 26AH

### Features

#### Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

#### Number of Seats

Available 1-4 seat combinations, spanned, with or without center arms.

#### 10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.

#### Easy to Clean

Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
