Bar Stool

The frames of the Arpino Bar and Counter Stools are made of the coveted, highly cleanable, and award-winning Kwalu Classic material. The design creates curved arms that flow to the back and form straight tapered legs. A second back band adds style and the functionality of a hand grip. Complete with footrests, side stretchers, a cushioned chair back, and a removable and replaceable cushioned seat, the Arpino stools provide peace of mind, comfort, and style.

Features

Seat Cushion is Field Replaceable
The seat cushion can be replaced in the field.

Curved Back Design
The curved upholstered back design provides comfort and supports good posture.

Durable Finish
Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

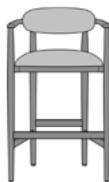

Steel Reinforced
Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Bar and Counter Height
Counter and bar heights available.
